This email must be preceded or accompanied by a [Disclosure Booklet](#) for the Minnesota College Savings Plan. Investments in the Plan are neither insured nor guaranteed and there is the risk of investment loss. Before investing in a 529 plan, consider whether the state in which you or your Beneficiary reside has a 529 plan that offers favorable state tax benefits that are available if you invest in that state's 529 plan. The earnings portion of non-qualified withdrawals may be subject to federal and state taxes and the additional 10% tax.
