We've made a great plan even better!

Effective as of August 12th – New Minnesota College Savings Plan enhancements.

We continue to work passionately to help Minnesotans save for college. We have re-launched the Plan with improved features which makes it a 529 program that all Minnesotans can be proud of!

We have:

- 1) **Reduced** the Program Management Fee to just 15 basis points. That's a reduction of more than 50%. This way more of your money can go to work toward defraying future college expenses.
- 2) **Increased** the maximum contribution limit from \$235,000 to \$350,000.
- 3) **Expanded** the investment lineup. New investment options include: the Aggressive Allocation, Conservative Allocation, Equity & Interest Accumulation, and U.S. Large Cap Equity. This means more choices for you with greater investment flexibility.
